Final Thoughts “Investing”

1 Timothy 6:17-19

Icebreaker: If you were to receive one million dollars tax free, what would you do with the money?

Our study will be looking at wealth and riches and how they can impact our lives

1. Read 1 Timothy 6:9-10. When we are not content, we can find ourselves “wanting to get rich”. What are the risks we face if this is our desire? Do you have an example of someone you have seen like this?
2. Paul has specific instruction for the rich in v. 17. What is his instruction? How do the rich exhibit this behavior in their life? Do you find any of this in your life?
3. There is a better investment the rich can make in v. 18. What are those investments?
4. How do you think Matthew 16:6 applies to this passage? See v. 19 also.
5. If a wealthy new believer asked you, “As a new Christian, what should I be doing with my wealth?” what would you say?
6. Most Americans are rich according to world’s standards. What are some things we can do as Christians with our wealth? As a church with our wealth?
