**Resurrection Power**  
**Ephesians 1:20-23**

Icebreaker: What is the most powerful thing you have ever seen?

1. Read Ephesians 1:19-21. What did the power of God the Father accomplish for Jesus Christ after he died and was buried?

How do you think this evidence of God's power for Jesus Christ impacts our lives?

2. Name an authority or person who has caused difficult times of trials, childhood trauma, parenting issues, death, grief or loss for you? What happened?

Do you think it helps Christians going through those difficulties to know that Jesus is above all rule and authority and above every name named and to come? If yes, how would share with someone how this truth would help them with the authority or person who caused them difficulty? How would it help you?

3. Read Ephesians 1:22-23. What are some other things God Father did for Jesus?

Now that you know “all things are in subjection and under Christ’s feet”, does this truth give you any encouragement or hope in life? If so, how?

4. If Jesus Christ is head over all things in the church, why do you think churches have so many problems and conflicts?

How do you think knowing “that Jesus Christ is the head of the church” should help us when we encounter problems and conflicts in the church?

What new insight or application have you gained from this passage and sermon?
