Ephesians 3:14-21

January 29, 2023

Discussion: Share with the group a memorable time of prayer you have had: individually, small group, or large group.

1. Read Ephesians 3:14-15 Paul says, "I bend my knees before the Father."

What are the various positions of prayer you find in the Bible?

What do you think there are the significances of these positions?

2. Read Ephesians 3:16. How would you summarize Paul's prayer?

What does it mean to you "to be strengthened with power through His Spirit in the inner man?"

3. Read Ephesians 3:17-19. As Paul prays, what is his aspiration for all the saints?

If God did this for you, what does this mean to you in your walk with Christ?

What would this look like if you prayed this for your family?

5. Read Ephesians 3:20-21. Is this a promise that God will give you anything you ask for or the foundation for the Prosperity Gospel? Why or why not?

6. Where does Paul want to see the "glory" of God evident? Is there a time you have seen the glory of God evident this way?

What new insight or application have you gained from this passage?
